

BANATONE

Revised : Dec. 8, 2017
Revised : Aug. 1, 2009
Executed : Jul. 11, 2002

BANATONE is...

Texturing the surface of molded parts, instead of conventional texturing on tool surface or wrapping with PVC leather. The feature of BANATONE is that reproducing an original 3D pattern on part surface is possible by creating image file.

BANATONE is applicable for...

- ◆ Photoshooting
- ◆ Internal presentation
- ◆ Mastertool for casting
- ◆ Master for texture

Applicable on any part surface such as molded parts or clay models.
Tuning on existing texture is available.

Please feel free to inquire
